This item violates good purchasing practices. You are asked to trust the vendor.
I see no evidence that WPS has confirmed that all their fellow services are happy with this contractor, and that the price we expect to pay is comparable. These are simple to obtain data points. Taxpayers and voters make similar comparisons. I expect many will be disappointed if EPC is less prudent than they are with their money.

Public engagement (optional)

I consent to being contacted to participate in potential public engagement related to this matter.
Yes
