Dear Chairperson Janice Lukes and Councillors of the Standing Policy Committee for Public Works,

I am writing to you in opposition of the motion to cancel the installation of a temporary bike lane on Wellington crescent.

I support permanent infrastructure, but I think the temporary pilot is important to gather information on how changes affect people who live in the area and use the road. A temporary lane could save lives, and it begins to inform driver behavior in anticipation of forthcoming permanent infrastructure.

Sincerely,
Dale Howard
