2,3 I commend you on these reports. I am pleased to see them in written form. I see that the CCO has tariff concerns. Since every fee charged on goods arriving from the USA has been imposed by the PM, has the city asked Ottawa to reduce those to zero, since Ottawa is largely funding this project? There is no mention of the risks imposed by unexpected failure of reinforced concrete structures.

Public engagement (optional)

I consent to being contacted to participate in potential public engagement related to this matter.
Yes
