A report on the actual sustainability of city purchasing should not take another month. Spending more than you have, and more than you can expect to have, is the antithesis of sustainable. You began on this path to avoid wasting very limited resources. Your 4 pillars prove that you have completely abandoned this noble goal. Instead, you have nothing more than 4 points of virtue signaling.

Public engagement (optional)

I consent to being contacted to participate in potential public engagement related to this matter.
Yes
