INTER-OFFICE MEMORANDUM

FILE:	G.1/2026(155)	**DATE:**	March 16, 2026

RE: Winnipeg Electrical By-Law No. 118/2025 – Technical Amendment

Please find attached the above-referenced By-law amendment.

It has come to our attention that the Winnipeg Electrical By-law No. 118/2025 requires clarification. This By-Law, including the consequential amendments to the MBEA Enabling By-law No. 59/2016, is intended to come into force on the same date that the City is required by provincial law, to adopt the Manitoba Electrical Code regulation. This was the clear intent of Council when it authorized this By-Law on December 18, 2025 (see: Item #3 of the Report of the SPC on Property and Development dated December 4, 2025).

As a result of the above, we believe that it would be appropriate for this matter to be corrected by way of technical amendment. Please place the within By-law before Council for reading at its meeting scheduled for March 26, 2026. An electronic copy of the By-law has been provided by my assistant to Lorraine King and Nicole Carnegie via email.
