HEARINGS

Item No. 7 Proposed Opening of a Part of 750 Marion Street (St. Boniface Ward) File DAO 4/2025

WINNIPEG PUBLIC SERVICE RECOMMENDATION:

1. That subject to Recommendation 2, the proposed street opening shown on Miscellaneous Plan No. 16173 (Appendix B), be approved.

2. That upon instructions from the Director of Planning, Property and Development, the City Solicitor be instructed to prepare and bring directly to Council for enactment, a by-law to facilitate the street opening in accordance with Miscellaneous Plan No. 16173 (the "By-law") subject to:

    A. Fulfillment of the administrative conditions of approval outlined in Appendix A of this report.

3. That this matter will be deemed to be concluded and all approvals in connection with this matter will expire if the By-law is not enacted within 2 years following the date on which this report is approved by Council, unless:

    A. The Purchaser (or assignee) applies for an extension of time before the expiration of the 2-year period; and

    B. Council approves the extension of time.

4. That the By-law will expire and this matter will be deemed to be concluded if the By-law is not registered at the Winnipeg Land Titles within 1 year following the date on which it is enacted by Council, unless:

    A. The Applicant (or assignee) applies for an extension of time before the expiration of the 1-year period; and

    B. Council approves the extension of time.

5. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

EXECUTIVE SUMMARY

WSP Canada Inc., on behalf of the Developer, Olexa Development Holdings (St. Boniface) Ltd., has applied to open a part of 750 Marion Street. The proposed opening is shown on Misc. Plan 16173 and the Aerial Diagram attached to this report (see Appendices B and C).

On June 24, 2021, Council approved subdivision and rezoning application no. DASZ 30/2020. Under that approval, the Developer and City entered into a Development Agreement. The agreement required the Developer to open a portion of 750 Marion Street and build a median, turn lanes, and sidewalk.

The Public Service recommends approval of the proposed opening. Council approval is required before land can be legally opened as street, lane or public right-of-way.

RECOMMENDATIONS

1. That subject to Recommendation 2, the proposed street opening shown on Miscellaneous Plan No. 16173 (Appendix B), be approved.

2. That upon instructions from the Director of Planning, Property and Development, the City Solicitor be instructed to prepare and bring directly to Council for enactment, a by-law to facilitate the street opening in accordance with Miscellaneous Plan No. 16173 (the "By-law") subject to:

   (a) Fulfillment of the administrative conditions of approval outlined in Appendix A of this report.

3. That this matter will be deemed to be concluded and all approvals in connection with this matter will expire if the By-law is not enacted within 2 years following the date on which this report is approved by Council, unless:

   (a) the Purchaser (or assignee) applies for an extension of time before the expiration of the 2-year period; and

   (b) Council approves the extension of time.

4. That the By-law will expire and this matter will be deemed to be concluded if the By-law is not registered at the Winnipeg Land Titles within 1 year following the date on which it is enacted by Council, unless:

   (a) the Applicant (or assignee) applies for an extension of time before the expiration of the 1-year period; and

   (b) Council approves the extension of time.

5. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required before land can be legally opened as street, lane or public right-of-way.

Dedication of land as a street, lane or public right-of-way requires a by-law pursuant to Section 139 of The City of Winnipeg Charter.

Legally opening the street is required to limit City liability and allow public use of the land for vehicular and pedestrian traffic as well as utility improvements.

IMPLICATIONS OF THE RECOMMENDATIONS

All costs associated with the opening are the responsibility of the Applicant (or assignee). There are no financial implications for the City.

HISTORY/DISCUSSION

WSP Canada Inc., on behalf of the Developer, Olexa Development Holdings (St. Boniface) Ltd., has applied to open a part of 750 Marion Street. The proposed opening is shown on Misc. Plan 16173 and the Aerial Diagram attached to this report (see Appendices B and C).

This application is serving to fulfill the Developer's obligations under subdivision and rezoning application DASZ 30/2020. This proposed opening, if approved, will ensure the necessary public right-of-way is properly established prior to completion of the related works.

On June 24, 2021, Council approved subdivision and rezoning application no. DASZ 30/2020. Under that approval the Developer and City entered into Development Agreement. One of the conditions in the agreement required the Developer to open a portion of 750 Marion Street and build a median, turn lanes, and sidewalk.

The Public Service recommends approval of the proposed opening with conditions detailed in the Administrative Comments attached to this report (see Appendix A).

Manitoba Hydro, Centra Gas, BellMTS and Canadian National Railway Company has existing infrastructure within and surrounding the proposed opening. BellMTS will require easements for the existing infrastructure and any future telecommunications facilities within the proposed opening.

Bell Canada, Rogers Communications Partnership, Fibre.Ca Inc., Flexnetworks, Crown Pipeline Ltd., Imperial Oil and Exxon Mobil, have all indicated that they have no concerns or objections.

Telus Communications, Teraspan Networks Inc., TC Energy, and Canadian Pacific Railway did not respond to the request for comment on this application.

OURWINNIPEG POLICY ALIGNMENT

The opening aligns with the following goal and objective of OurWinnipeg 2045:

Goal: City Building
Objective 2: Integrate resilient land use, transportation, and infrastructure planning and investments.

Ensure that land use, transportation, and infrastructure planning are aligned to provide the conditions for compact, complete, and connected communities, supported by sustainable transportation options and municipal infrastructure capacity.

WINNIPEG CLIMATE ACTION PLAN ALIGNMENT

Consideration was given as to whether this report connects with any of the Strategic Opportunities and Key Directions in the Climate Action Plan (CAP) and its Goals and Objectives, and it was determined that the CAP is not applicable to this specific report.

WINNIPEG POVERTY REDUCTION STRATEGY ALIGNMENT

Consideration was given as to whether this report connects to the Winnipeg Poverty Reduction Strategy (PRS) and its Goals and Objectives, and it was determined that the PRS is not applicable to this specific report.
