To: Wall, Robyn - Office of Councillor Chambers - Deputy Mayor
Subject: Robert Holliday

Hi Robyn,

Sorry for the delay on this but as per our telephone conversation, please see the below authorization to continue with the extension of the street name.

I, Keith Bell, nephew and Executor of the late Robert Holliday give authorization to continue with the honorary street sign. Bob would have wanted this and I know that he would have been honoured to have this extension.

If you need anything further from me, please do not hesitate to reach out to me on my cell at 204-430-1410.

Thank You!

Keith Bell
