Corner Brook	https://www.cornerbrook.com/wp-content/uploads/2024/08/Discharging-of-Fireworks-Regulation-2022_Redacted.pdf	The person(s) responsible, including property owners and or occupants, for the setting off of any fireworks or classes thereof must ensure that all unused fireworks and debris be removed and safely disposed of immediately following the event.	With exception of New Years Eve and Canada Day and the day immediately preceding and/or following each of these days, no person or occupant shall set off or permit or allow to be set off family fireworks on any other day during the year, unless a permit has been issued by the City to do so.
Corner Brook		A person or Occupant to whom a permit is issued shall ensure that the permit is on the site where the fireworks are being discharged.	No person or Occupant may discharge, or permit or allow to be discharged, fireworks outside the hours between 6 pm and 9 pm, and 11 pm and 1 am, unless a permit has been issued by the City authorizing the discharge of fireworks at a different time.
Corner Brook		No person or occupant shall discharge or permit or allow to be discharged any firework(s) in or on or into any highway or public park or on or into any other private property for which permission has not been granted.	With exception of Canada Day, no person or occupant shall discharge, or permit or allow to be discharged, any fireworks when a municipal or provincial fire ban is in effect unless they have been issued a permit from the City that specifically permits discharge of fireworks during a provincial or municipal fire ban.

Corner Brook		Save and except for pyrotechnics, no person or Occupant shall discharge or permit or allow to be discharged any fireworks inside of or closer than eight metres to any building, tent, trailer, camp or shelter or motor vehicle.	No person or Occupant shall discharge or permit or allow to be discharged aerial fireworks or pyrotechnics within the boundaries of the City without first obtaining a permit from Council. Such a permit approval may impose conditions for approval as it considers necessary to ensure the safety of the public and governing regulations and procedures including but not limited to: i. keeping spectators at a safe distance; ii. protecting private and public property; in. ensuring serviceable fire extinguishing equipment is available at all times; Jv. strict adherence to Explosives Act and the Explosives Regulations (BL2015-098).
Corner Brook		No person or Occupant shall discharge or allow to be discharged fireworks within 300 metres of a hospital/ nursing home/ health lodge, home for the aged, school/ or peace of worship unless the consent of the City and the owner or agent of the owner has first been obtained in writing.	In addition to holding a permit from the City, no person or Occupant shall discharge or permit or allow to be discharged aerial or pyrotechnics within the boundaries of the City unless they are discharged by a person who holds a valid Fireworks Supervisor certificate or equivalent thereof, issued by the Explosives Regulatory Division of Natural Resources Canada or its similar or successor governing body, and proof of such certification must be provided to the City immediately upon request.
Corner Brook			Additional precautions now outlined in the new regulations include that the person discharging the fireworks must be 18 or older, that fireworks cannot be discharged when wind speeds exceed 40 km/h
St John's	https://apps.stjohns.ca/ByLaws.nsf/nwByLawNum/1641	Every person who discharges family fireworks shall have access to a fire extinguisher and bucket of water ready for immediate use at the site where the family fireworks are discharged.	No person shall discharge fireworks within the boundaries of the City unless authorized under this By-Law.
St John's		No person shall discharge family fireworks within the boundaries of the City except: (a) between the hours of 7:30PM at night on July 1 (Canada Day) and 12:30AM in the morning of the following day; (b) between the hours of 7:30PM at night on December 31 (New Year's Eve) and 12:30AM in the morning of the following day; and (c) any other day and time as designated by Council.	No person shall discharge aerial fireworks or pyrotechnics within the boundaries of the City without first obtaining Special Event approval.
St John's		The City may, for weather-related or any other reason, declare that family fireworks shall not proceed on July 1 (Canada Day) or December 31 (New Year's Eve), and may announce an alternate day and time when the discharge of family fireworks is permitted.	Every applicant for a Special Event shall meet the requirements set out in the City's Special Events Policy and Procedures Manual and provide any additional information as required by the City.
St John's		The bylaw also sets out rules and restrictions on how fireworks can be discharged. People must be 18 years or older to discharge fireworks. Fireworks cannot be thrown in, into, or on buildings, vehicles, public roads or public places. People must have a fire extinguisher and a bucket of water ready for immediate use and they need to follow instructions printed on the fireworks' package.	Approval of a Special Event may be subject to any terms and conditions Council approves, and no person shall discharge fireworks except in accordance with those terms and conditions.
