Subject: Executive Policy Committee - public hearing

Mr. Mayor,

This e mail is to voice our opposition to the proposed amendment to Plan Winnipeg, 'delisting' the Oak Point transport corridor to facilitate development. We presented our opposition to condominium and commercial development in this area by Mr. A. Katz at the July 2004 community committee meeting. We are unable to attend the 'public' meeting scheduled for November 25th at 9:00a.m. due to work commitments. It is very interesting to note that during the C.C. meeting in July 2004, Mr. Katz actually read at length from Plan Winnipeg to support his proposed development, and yet already requests are being made for amendments to this plan.
