REASON FOR THE REPORT

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations are concurred in, the Developer will be allowed an extension of time to July 18, 2027, to enact the required rezoning by-law under DASZ 19/2024 and complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On July 18, 2024, Council adopted Item No. 16 of the Report of the Standing Policy Committee on Property and Development, dated July 4, 2024, which recommended approval of a plan of subdivision and rezoning to an “RMF-M” Residential Multi-Family (Medium) District under Winnipeg Zoning By-Law 200/2006, in accordance with Schedule “C”. See Appendix “A” attached. Rezoning By-law 108/2024 received first reading by Council on September 26, 2024.

Recommendation 8. of the above-referenced report states:

"That Development Application No. DASZ 19/2024 will be deemed to be concluded and all approvals in connection with same will expire if the developer has not submitted the Plan and paid all associated ancillary fees (the “Fees”) within 2 years following the date on which Council gives first reading to the By-law, unless the developer applies for an extension of time before the expiration of that 2 year period and Council approves the extension. "

The necessary by-law has not been enacted and the two 2-year period is set to expire on July 18, 2026.

On March 4, 2026, Landmark Planning & Design Inc., c/o Brennan Johnson, 298 Waterfront Drive, Winnipeg, Manitoba, R3B 0G5, submitted a request for a one (1) year extension of time to satisfy the necessary by-law enactment requirements and complete the necessary registrations at the Winnipeg Land Titles Office. See Appendix “B” attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.
