EXECUTIVE SUMMARY

Since 2023, the City has worked with the Winakwa Community Centre to help guide the community club to develop a master plan for the site. With the help of consultants, a master plan was completed in 2024.

The Province made a commitment to provide monies for the Winakwa Community Centre Path and Park Project. These monies were offered, as long as the City receives and administers the funds.

The Public Service is recommending the City enter into an agreement with the Province. The agreement is to accept up to $200,000 for the Winakwa Community Centre Path and Park Project.

RECOMMENDATIONS

1. That grant funding of up to $200,000 from the Government of Manitoba as represented by the Minister of Municipal and Northern Relations for the Winakwa Community Centre Park and Path Project be approved.

2. That the City enter into, execute and deliver a contribution agreement (“Agreement”) with the Province of Manitoba, Department of Municipal and Northern Relations in an amount of up to $200,000 for the Winakwa Community Centre Park and Path Project and such other agreements deemed necessary by the City Solicitor/Director of Legal Services to implement the intent of foregoing (“Ancillary Agreements”).

3. That, subject to approval of Recommendation 1 and 2, Council approve up to a $200,000 increase to the 2026 budget for the Community and Neighbourhood Parks Program project #1853000426 with the final budget increase equivalent to the grant funding obtained by the City under the terms of the Agreement for the Winakwa Community Centre Path and Park Project and that these funds are not to be subject to City overheads.

4. That the Chief Financial Officer be delegated authority to negotiate and approve the terms and conditions of the Agreement and the Ancillary Agreements in accordance with this report, and such other terms and conditions deemed necessary by the City Solicitor/Director of Legal Services to protect the interests of the City.

5. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required to accept third party funding, enter into the contribution agreement and increase a Capital Budget.

IMPLICATIONS OF THE RECOMMENDATIONS

The 2026 Community and Neighbourhood Parks Program Capital Budget will be increased by $200,000.00 for the purpose of the Winakwa Community Centre Park and Path project. See Appendix A attached.

For clarity, Council approved $350,000 for the 2026 Community and Neighbourhood Parks Program (project #1853000426). Approval of this report will result in an amended project budget of $550,000.

HISTORY/DISCUSSION

Since January of 2023, the Urban Design Branch and Parks and Open Space Division have worked alongside the Winakwa Community Centre helping to guide the community club with their goal of developing a master plan for the site.

In January of 2024, Winakwa Community Centre hired consultants Hilderman Thomas Frank & Cram to develop the master plan to address current and future club and community needs. In September of 2024, the Master Plan was completed, with the understanding that the Urban Design Branch would assist in identifying and implementing individual construction projects as funding became available.

In 2025, a large portion of the pathways identified in the master plan were implemented through Federal Economic Response and Recovery Plan funding.

In 2025 a commitment of Provincial funding for the Winakwa Community Centre Path and Park Project was made to the Winakwa Community Centre with the understanding that the City would receive and administer the funds.

Due to strict provincial timelines and the requirement that the funding be provided by the Province in their 2024/2025 funding year, the City entered into the Agreement in March 2025 to receive the funds. Funds have been held in deferred revenue account: 003-291230-180605 pending approval of this report.

The scope of work to be implemented under the Winakwa Community Centre Path and Park Project in 2026 include a shade structure, paved surfacing, and other related site enhancements pending construction costs.

This project will provide amenities for gathering and improve climate adaptability, accessibility, and overall user-experience at Winakwa Community Centre.
