The Winnipeg Public Service has no objection to this request.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations are concurred in, the Developer will be allowed an extension of time to April 25, 2027, to enact the required rezoning by-law under DASZ 4/2024 and complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On April 25, 2024, Council adopted Item No. 12 of the Report of the Standing Policy Committee on Property and Development, dated April 11, 2024, which recommended approval of a plan of subdivision and rezoning to an “RMF-L” Residential Multi-Family (Large) District under Winnipeg Zoning By-Law 200/2006, in accordance with Schedule “C”. See Appendix “A” attached. Rezoning By-law 69/2024 received first reading by Council on May 30, 2024.

Recommendation 8. of the above-referenced report states:

"That Development Application No. DASZ 4/2024 will be deemed to be concluded and all approvals in connection with same will expire if the developer has not submitted the Plan and paid all associated ancillary fees (the “Fees”) within 2 years following the date on which Council gives first reading to the By-law, unless the developer applies for an extension of time before the expiration of that 2 year period and Council approves the extension. "

The necessary by-law has not been enacted and the two 2-year period is set to expire on April 25, 2026.

On April 7, 2026, 193 McGregor Street LTD, c/o Ryad Ali, 9 Penny Lane, Winnipeg, Manitoba, R29 2C6, submitted a request for a one (1) year extension of time to satisfy the necessary by-law enactment requirements and complete the necessary registrations at the Winnipeg Land Titles Office. See Appendix “B” attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.
