EXECUTIVE SUMMARY

Councillor Sharma has submitted a request that the following new street names be added to the Lord Selkirk-West Kildonan Community Committee Street Name Reserve List:

Sana
Asta
Star
Moon

for use in the Aurora neighbourhood located at McPhillips Street and North Point Boulevard.

The Street Names By-law No. 115/2011 governs the process for naming all streets within the City of Winnipeg.

RECOMMENDATION

1. That the following names be added to the Lord Selkirk-West Kildonan Community Committee Street Name Reserve List:
   Sana
   Asta
   Star
   Moon

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Community Committee approval is required in order to have new street names placed on the Reserved Street Name Listings for each respective Community Committee area. It is in the

City's best interest to maintain a degree of control over naming roadways, both public and private, regarding the delivery of emergency services such as ambulance and fire.

IMPLICATIONS OF THE RECOMMENDATIONS

New street names will be added to the Lord Selkirk-West Kildonan Community Committee Street Name Reserve List.

HISTORY/DISCUSSION

We have received a request from Councillor Sharma, requesting that the new street names listed herein be added to the Street Name Reserve List for the Lord Selkirk-West Kildonan Community Committee. Two of the proposed street names, "Sana" and "Asta" are intended to name two private roads in the Polaris Towers development located at McPhillips Street and North Point Boulevard per the map attached as Appendix B to this report. "Star" and "Moon" will be added to the street names reserve list for future use in the Aurora neighborhood which will continue the constellation theme in the ward.

The Winnipeg Public Service confirms that the criteria of the Street Names By-law 115/2011 are satisfied. The proposed new street names do not conflict with any other presently reserved or in existence.
