On May 23, 2025, the East Kildonan-Transcona Community Committee passed the following motion:

WHEREAS The rollout of the Transit Master Plan, the Primary Transit Network and its feeder routes represents one of the largest modernizations of Winnipeg Transit system;

AND WHEREAS Winnipeg Transit well-communicated that the new network would dramatically change most, if not all, of Winnipeg's transit routes, it was not as clearly communicated that the removal of many bus stops network-wide to improve network efficiency would accompany the launch of the new network;

AND WHEREAS many residents of the attached petition from 1660 Henderson Highway (Appendix A) have signed a petition in opposition to the bus stop removals around their home.
