11. Permanent encampments The group calling itself the Committee for Safety is not a legitimate part of city government. It fails to publicly publish its various agendas. It has decided that every area in the city should offer addicts free accommodations. As is expected the CFS has failed to consult with residents and businesses in any such area. This CFS has failed to advocate any way to reduce the danger to us created by the Mayor's policy of ignoring the crimes committed by the 'campers'.
