Taking free money from Ottawa seems like a no brainer. In reality, this is simply an Ottawa bureaucrat dangling tax dollars in front of the city, while expecting buy-in for failed federal policy ideas. This is not new. Recall that agreeing to the terms of HAF cost city taxpayers big \$, while realizing none of the promised benefits to the city.

Public engagement (optional)

I consent to being contacted to participate in potential public engagement related to this matter.

Yes
