This is money you do not have.

The operators of a sports field should not need a cash injection of this size.

They should keep their property in playable condition. That takes annual spending and care. If they cannot do this simple work, they should not have control of such city facilities.

If a pro franchise is offered, and if backers of a pro team want lights, ask a commercial sponsor to fund it. If Council wants to impress voters, it should learn to say no to high-priced niche projects.
