RE: Technical Amendment
Correct an error in Schedule "AE" of the Winnipeg Zoning By-law No. 200/2006

On April 30, 2026, Council passed By-law No. 97/2025, a bylaw to amend the Winnipeg Zoning By-law by adding the Naawi-Oodena Planned Development Overlay 2." It was subsequently discovered that that the PDO maps approved by Council had not been included in actual body of the PDO and therefore do not appear in Schedule AE of By-law No. 200/2006.

Enclosed is an amending by-law to update the said Schedule with the approved maps. Legal Services considers this amendment to be technical in nature and accordingly, Legal Services proposes that this amendment be brought to Council's attention by communication.

An electronic copy of the By-law has been provided by my assistant to Lorraine King and Nicole Carnegie via email.

If you have any questions, feel free to contact me.

Thank you.
