Dear Mr. Mayor:

This letter will serve to inform you that Tennis Manitoba is in full support of the PETITION of tennis enthusiasts to the City of Winnipeg to cover tennis courts at the Sargent Park Sports Complex.

At the present time there are no public-access indoor tennis courts in the City of Winnipeg. Tennis is a lifetime sport that is enjoyed by individuals from age 5 to 85. Only a small percentage of the tennis players in Winnipeg can afford to play tennis at one of the private clubs during the winter months. The remaining tennis enthusiasts must put down their racquets for at least 6 months until the outdoor season begins each spring.

I would welcome the opportunity to meet with you to discuss this matter further. I can be reached at 925-5660. Thank you for your time.

Sincerely,
TENNIS MANITOBA

Mr. Sam Katz
Mayor, City of Winnipeg

Dear Mr. Mayor:

Our Association, the Philippine Tennis Association of Manitoba which has 98 members at present, do hereby endorse the Petition signed by tennis players with various ethnic affiliations, calling the City Government to provide an indoor tennis facility preferably at Sargent Park Sports Complex.

It is imperative that our great City of Winnipeg should have such public tennis facility where common wage earners and members of their families may have the opportunity to learn and play tennis at affordable price even during the long winter months.

We hope that our request will merit your positive consideration.

Sincerely Yours

Nereo Eugenio

Dear Mayor Katz:

On behalf of the Filipino Tennis Association of Manitoba, a youth organization promoting sports through outdoor tennis, we would like to solicit your assistance by providing them a covered space to play indoor tennis probably at Sergeant Park Sports Complex.

This is in support to their noble cause of promoting friendship and camaraderie through sports as a way of getting them out of vices.

Your favourable action is hereby appreciated.

Thank you.

Sincerely,
