EXECUTIVE SUMMARY

The City is in the process of reacquiring the site which is commonly known as the Pantages Playhouse Theatre Annex (the “Annex”). Upon taking title to the Annex, it is recommended that the Annex be declared surplus to the City’s needs. If Council approves the declaration, the Annex will be transferred to the Performing Arts Consortium of Winnipeg, Inc. (“PAC”).

The subject property is affected by several easements and restrictions in favour of PAC. These include limits on building in certain areas related to 180 Market Avenue (Pantages Playhouse Theatre). PAC owns the Pantages Playhouse Theatre. Because of the limitations, the Annex is difficult to develop. The best use for the Annex is consolidation with 180 Market Avenue.

The Ward Councillor has been notified of the Public Service’s intent.

RECOMMENDATIONS

1. That, subject to the City acquiring the Subject Property, the Subject Property shown as “Proposed Acquisition Area” on Misc. Plan No. 13916/5 be declared surplus to the City’s needs.
2. That section 3.2(B) of the Real Estate – Declaration as Surplus and Sale of Property Policy be waived, to enable a direct sale to Performing Arts Consortium of Winnipeg, Inc. as contemplated herein.
3. That, subject to the approval of Recommendations 1 and 2, the direct sale of the Subject Property to the Performing Arts Consortium of Winnipeg, Inc. for \$1.00, be approved.
4. That, subject to the approval of Recommendations 1, 2 and 3, the City enter into, execute and deliver an Offer to Purchase Agreement with Performing Arts Consortium of Winnipeg, Inc. and any such other agreement determined necessary by the City

Solicitor/Director of Legal Services to implement the intent of the foregoing (the “Ancillary Agreements”).

5. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

On May 19, 2026, the Executive Policy Committee directed the Public Service to report back to the Standing Policy Committee on Property and Development in 30 days, including a report by the Independent Fairness Commissioner, to declare the subject parcel surplus (upon the legal transfer of the parcel for \$1) and transfer it to the Performing Arts Consortium of Winnipeg, Inc. (“PAC”) for \$1 as an additional City contribution to this major Downtown cultural redevelopment project.

Pursuant to the “Real Estate – Declaration as Surplus and Sale of Property”, Council approval is required to declare City property as surplus to the City’s needs and waive Council policy.

IMPLICATIONS OF THE RECOMMENDATIONS

Approval of the recommendations will waive Section 3.2(B) of the Real Estate – Declaration as Surplus and Sale of Property Policy, allowing the Public Service to sell the Subject Property directly to the Performing Arts Consortium of Winnipeg, Inc.

The declaration of the Subject Property as surplus and the proposed direct sale to PAC are conditional upon the City first securing the subject property.

The financial implications associated with the recommendation include the transfer of the Subject Property for nominal consideration of \$1.00, representing an opportunity cost to the City of \$555,000.00.

The City’s standard terms and conditions of sale include provisions to protect the City’s interests in the event that environmental contamination is discovered.

HISTORY/DISCUSSION

The Subject Property, shown as the “Proposed Acquisition Area” on Misc. Plan No. 13916/5 is adjacent to the Pantages Playhouse Theatre located at 180 Market Avenue. The Pantages Playhouse Theatre is owned and operated by the Performing Arts Consortium of Winnipeg, Inc. (“PAC”). The Subject Property is known as the Pantages Playhouse Theatre Annex (the “Annex”) and previously formed part of the larger property.

The City is currently in the process of reacquiring the Annex.

The PAC is a non-profit corporation created in the 1990s to steward the Pantages Playhouse Theatre. It managed the venue for many years and now owns 180 Market Avenue. The organization is currently leading efforts to restore and reopen the Pantages Playhouse Theatre with private and public funding.

The subject property contains a structure, which is connected to and operationally associated with the Pantages Playhouse Theatre. Several instruments registered on title establish easements and restrictive covenants in favour of PAC that protect access and accommodate existing building conditions associated with the theatre property. As a result of these legal and physical constraints, the subject property has limited independent utility apart from consolidation with the adjoining property owned by PAC.

The sale of the subject property was circulated to City departments and public utilities as at the date of writing of this report and no objections have been received to date.

An appraisal obtained by the Public Service in November 2025 identified the highest and best use of the subject property as consolidation with the adjoining property at 180 Market Avenue (Pantages Playhouse Theatre) and estimated the market value at approximately \$555,000.00.

The sale of the subject property to PAC is considered to represent best value to the City since it will allow for the restoration of programming to a historical resource upon the theatre renovation. Should Council approve the recommendations of this report, the transaction is expected to close at the end of 2026.
