EXECUTIVE SUMMARY

This Administration Report provides information regarding local improvement petition that has been returned to the City of Winnipeg by the property owner.

This report addresses the proposed local improvement and communicates the result of the local improvement petition to the area Councilors.

The proposed local improvement in this report has not met the required 3/5 representation of the total assessable measurement and is considered unsuccessful and therefore the Public Service is recommending that this local improvement project not proceed.

RECOMMENDATIONS

1. That the following proposed Local Improvement Project will not proceed and be received as information, namely:

Local Improvement	***Location***	***Petition For Result***
Asphaltic Concrete Lane Pavement 14’ x 5”	Approximately 14 feet wide (5 inches thick) on the lane between Southwood Avenue and Riverwood Avenue, from east limit to Wicklow Street.	50%

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Since the proposed Local Improvement Project is within the Fort Rouge – East Fort Garry Ward boundary, the City Centre Community Committee is provided the information about this Local Improvement Project.

IMPLICATIONS OF THE RECOMMENDATIONS

The local improvement project, pertaining to Asphaltic Concrete Lane Pavement 14’ x 5”, approximately 14 feet wide (5 inches thick) on the lane between Southwood Avenue and Riverwood Avenue, from east limit to Wicklow Street, contained herein will not proceed.

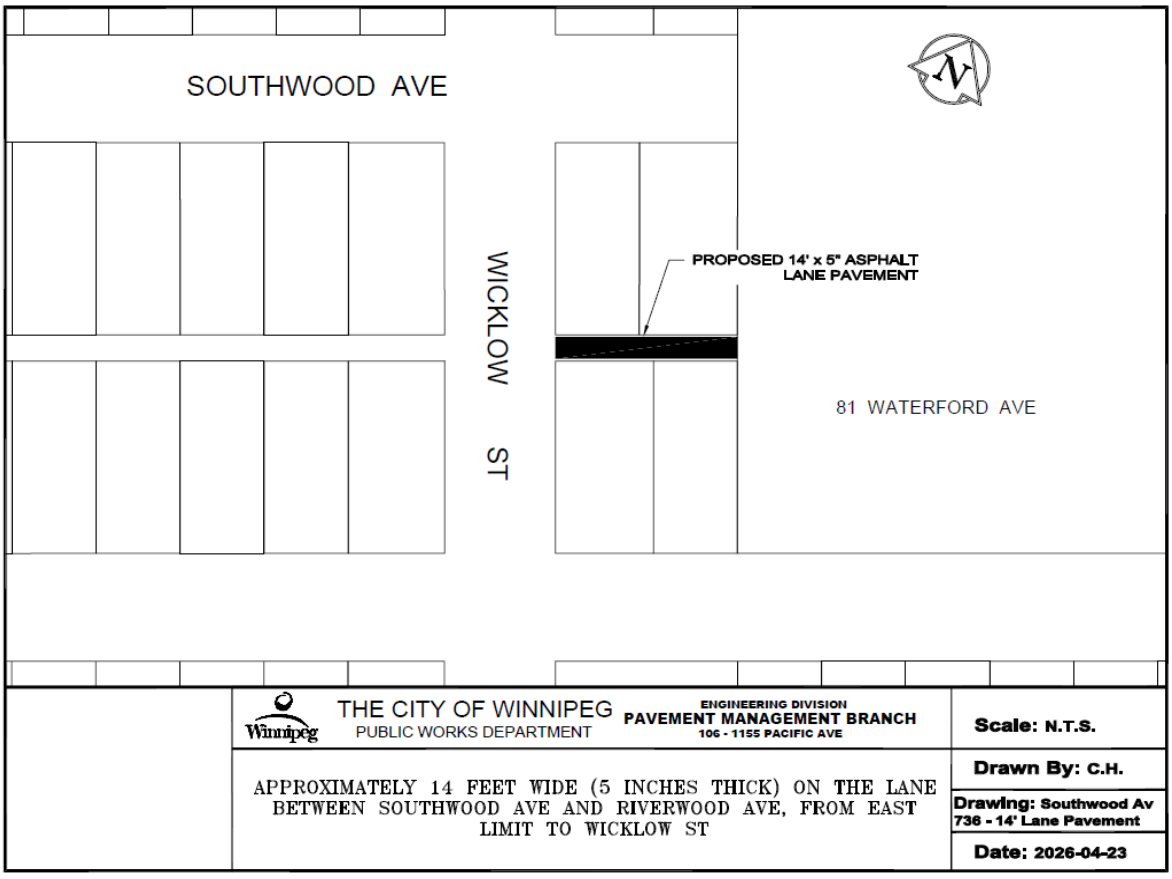

Committee members are informed of the status of projects within the ward.

HISTORY/DISCUSSION

On November 20, 2013, Council amended the Local Improvement process by creating a pilot program for six years (2014-2019) whereby the City of Winnipeg will finance asphalt paving of granular lanes as local improvements to the maximum of 50% of the cost of the improvement; and approved that the $1 million Granular Lane Fund be used as a funding source for the City's share of the amended Local Improvement Program. On July 19th, 2018, Council approved a six year extension to this program (2020-2024). On December 15, 2021, Council extended the program to 2027. The approval of the annual budget will extend the program to the five-year capital forecast. A portion of the Granular Lane Improvement Program includes funding dedicated to the lane pulvimixing program: $350,000 (2025), $1.0 million (2026 - 2030).

Asphaltic Concrete Lane Pavement 14’ x 5”
Approximately 14 feet wide (5 inches thick) on the lane between Southwood Avenue and Riverwood Avenue, from east limit to Wicklow Street.

On June 3, 2026 a “Petition For” was issued to Ephriam Bergman, registered owner of 736 Southwood Avenue for a proposed Asphaltic Concrete Lane Pavement Local Improvement Project within the City Centre Community and Fort Garry boundary which is depicted in the following drawing:

A Filing Deadline of September 1, 2026, was determined for the “Petition For” form to be returned to the City Clerk’s Department. (90 days after the first signature is dated on the “Petition For” form).

The City Clerk’s Department received the signed “Petition For” form on July 21, 2026.

In compliance with Section 124(2) of the City of Winnipeg Charter (the “Charter”), it was ascertained and certified by the Manager of Taxation and Finance that the signatures obtained from the benefiting registered property owners on the “Petition For” form represent 50% of the total assessable frontage, as summarized below:

Total Assessable Frontage	216.8 Feet
Less City Share	0 Feet
Total Assessable Frontage (City Share Factored Out)	216.8 Feet
Petitioners For Represent	108.4 Feet
Percentage Signed	***50%***

Therefore, as this petition was signed by the registered property owners representing 50% of the total assessable frontage (an amount less than the required 3/5 or 60%), it will not be necessary to advertise this proposed local improvement project.

The Winnipeg Public Service will not proceed in compliance with the Charter.
