Dear Ms. Marques:

REZONING
Location: 1080 Waverley Street south of Seel Avenue
City Centre Community Committee
File No. DAZ 261/04

An application has been received from Colliers Pratt McGarry (Murray MacRae), to amend By-Law No. 6400/94 by rezoning the land shown below from a "MP-2" Industrial District to a "M!-B" Industrial District to allow for a wider range of commercial uses on the premises including a beauty salon.

RELATED FILES: DAV04-331770D

SITE DESCRIPTION:

Site Area: Approximately 3.3 acres

Existing Land Use and Zoning: Commercial complex zoned "MP-2" Industrial District

Surrounding Land Use and Zoning: The property is within the Buffalo Industrial Neighbourhood, zoned "MP-2" Industrial District. To the west is the Lindenwoods Neighbourhood zoned "R1-5" Single-family Residential District.

DEVELOPMENT DESCRIPTION:

The property consists of two buildings, a two-storey, 28,600 square-foot office building at 1090 Waverley, and a one-storey, 26,975 square-foot strip centre at 1080 Waverley initially designed to contain 13 rental units. The site provides parking for about 168 cars, or 1 vehicle for every 330 square feet of gross floor area. In comparison, the retail requirement is 1 stall for every 250 square feet of gross floor area, and the office requirement is 1 stall for every 750 square feet of gross floor area. The site is accessed from Waverley northbound with separate right-in and right-out approaches. The site provides access to Seel Avenue as well, which is signalized at Waverley.

The applicant wishes to lease a vacant unit in the strip centre for use as a beauty salon. This commercial use is not permitted in the "MP-2" district, which was intended to encourage industrial development with a high standard of building design and site landscaping. The subject development meets this standard with brick buildings and extensive landscaping. However, as the building at 1080 Waverley was designed with the appearance of a commercial strip centre, the Division has turned away several inquiries over the years for commercial uses that are not permitted in the "MP-2" zoning district. The location of the development on a busy street across from Lindenwoods also encourages people to inquire about commercial opportunities.

Beauty salons are permitted in 4 industrial zoning districts including "M1", "M1-B" and "M2" districts. In discussions with the Division, the applicant decided to apply for a rezoning to "M1-B" Industrial District, a less restrictive zoning category that permits offices and several commercial uses.

PLAN WINNIPEG:

The application complies with Plan Winnipeg.

ADMINISTRATIVE COMMENTS:

The two-storey office component at 1090 Waverley contains a dental clinic and a travel agency. The strip centre at 1080 Waverley contains offices with facia signage indicating the following tenants with business names capitalized: Molson's, Manitoba Hydro, Tekrion, Entertainment,

Creative Design Studio, Diageo, Linden Ridge Animal Hospital and Centennial Pet Grooming, a psychologist, a chiropractor, Total Offices, and Partners for Learning Education Centre.

The Division is prepared to support this application. It is recommended that a Zoning Agreement be placed on the property prohibiting uses that would not be compatible with the location. The rezoning will enable the applicant greater flexibility in leasing the rental units and office space, and will allow uses that are compatible with the design of the buildings and the surrounding area.

RECOMMENDATION:

I. That The Winnipeg Zoning By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 261/04, attached hereto and dated November 3, 2004, to a "M1-B" Industrial District, subject to the following:
