Community Incentive Grant Program Application 2026
Central Corydon Community Centre Inc

Corydon Community Centre is run by a volunteer board of directors. Corydon Community Centre provides facilities for accessible recreational opportunities to enhance quality of life and promote well-being and a sense of community in the neighbourhood.

Corydon Community Centre is looking to upgrade its public washrooms at the Crescentwood site, 1170 Corydon Ave. These washrooms serve thousands of community members each year, including our recreational programs, camps, special events, community meetings and other rentals.

The existing washrooms are in poor shape due to their heavy use. The flooring in the lobby is cracking and damaged from continuous daily traffic making it difficult to maintain and looks poor to the community.

The scope of the project:

Corydon Community Centre is planning to replace the washroom and lobby flooring, the washroom sinks, washroom mirrors as well as the garbage cans.

The scope of work includes:

- Removal and disposal of existing flooring
- Purchase and installation of new flooring for the washrooms and lobby area
- New sinks and taps in both washrooms including new mirrors and garbage cans

The project will take place at

- Crescentwood Site: 1170 Corydon Avenue (where the existing sign is)
- River Heights Site: Corydon Avenue existing sign location

This project will benefit

- Everyone who uses our facility
- It will help increase our bookings such as wedding showers, baby showers, birthday parties etc which will help income for the centre
- Will make a lasting impression for years to come

The project is planned to begin as soon as funding is secured approximately December 2026 and be finished by end of summer September 30, 2027
