I am writing to ask the City of Winnipeg to prioritize community needs over one-time profit when deciding what to do with the land at the former Aubrey bus loop.

I've lived in the block across from the bus loop for more than 15 years, and know this is a rare opportunity to make our community stronger and meet the needs of this and future generations.

Our community has critical shortages for childcare and affordable housing.

I would ask the City to retain the land (not declare surplus) and enter into discussions with the community and potential partners on a long-term lease (for nominal fee) for childcare spaces and/or non-profit housing. I am also supportive of use by the Parks department for all or some of the land.

Keeping the land in public control will allow the City to continue to respond to the needs of residents over many generations.
