

**Minutes – Executive Policy Committee – September 15, 2026**

**Report – Standing Policy Committee on Water, Waste and Environment – September 11, 2026**

**Item No. 4                      Build Communities Strong Fund – Combined Sewer Overflow and Basement Flood Management Strategy: Rutland Trunk Project**

**EXECUTIVE POLICY COMMITTEE RECOMMENDATION:**

The Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Water, Waste and Environment and submitted the following to Council:

1. That federal funding in the amount of up to \$27,160,400.00 from the Direct Delivery Stream of the Build Communities Strong Fund for the Combined Sewer Overflow and Basement Flood Management Strategy: Rutland Trunk project, be approved.
2. That the City enter into, execute and deliver a Contribution Agreement with His Majesty the King in Right of Canada, as represented by the Minister of Infrastructure and Communities and such other agreements as determined necessary by the City Solicitor/Director of Legal Services to implement the intent of the foregoing (“Ancillary Agreements”).
3. That any surplus funds remaining in the Combined Sewer Overflow and Basement Flood Management Strategy: Rutland Trunk capital budget at the completion of the project be returned to the Environmental Projects Reserve Fund.
4. That authority be delegated to the Chief Financial Officer to review and approve the terms and conditions of the Contribution Agreement, the Ancillary Agreements, and such other terms and conditions as may be deemed necessary by the City Solicitor/Director of Legal Services to protect the interests of the City.
5. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

## **Minutes – Executive Policy Committee – September 15, 2026**

### **Report – Standing Policy Committee on Water, Waste and Environment – September 11, 2026**

#### **DECISION MAKING HISTORY:**

Moved by Councillor Browaty,

That Rule 10(3) of The Procedure By-law No. 50/2007 be suspended in order that the following item, which was received less than four business days preceding the committee meeting, be considered by Committee.

Carried

Moved by Councillor Eadie,

That the recommendation of the Standing Policy Committee on Water, Waste and Environment be concurred in and forwarded to Council.

Carried

#### **STANDING COMMITTEE RECOMMENDATION:**

On September 11, 2026, the Standing Policy Committee on Water, Waste and Environment passed the following motion:

WHEREAS the City previously applied for federal funding under the Disaster Mitigation and Adaptation Fund (DMAF) for the Combined Sewer Overflow and Basement Flood Management Strategy: Rutland Trunk (the “CSO Project”) pursuant to Council direction dated July 13, 2023;

AND WHEREAS the application to DMAF was not approved and the CSO Project proceeded under the Combined Sewer Overflow and Basement Flood Management Strategy capital program;

AND WHEREAS the federal government has now identified the CSO Project as eligible for up to \$27, 160,400.00 in funding under the Direct Delivery Stream of the Build Communities Strong Fund subject to the City entering into a contribution agreement;

#### **THEREFORE BE IT RESOVLED:**

1. That federal funding in the amount of up to \$27,160,400.00 from the Direct Delivery Stream of the Build Communities Strong Fund for the Combined Sewer Overflow and Basement Flood Management Strategy: Rutland Trunk project, be approved.

## **Minutes – Executive Policy Committee – September 15, 2026**
