

Minutes – Executive Policy Committee – September 15, 2026

Report – Standing Policy Committee on Water, Waste and Environment – September 11, 2026

Item No. 5 Support for Save Our Seine – Application to the Federation of Canadian Municipalities’ Green Municipal Fund

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

The Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Water, Waste and Environment and submitted the following to Council:

1. That Council acknowledge that Save Our Seine is applying for a funding opportunity from the Federation of Canadian Municipalities’ Local Leadership for Climate Adaptation initiative for its proposed Adaptation in Action Implementation Project, in partnership with the City of Winnipeg
2. That Council provide a letter of support to Save our Seine, to be used in its grant application to the Federation of Canadian Municipalities’ Green Municipal Fund.
3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Minutes – Executive Policy Committee – September 15, 2026

Report – Standing Policy Committee on Water, Waste and Environment – September 11, 2026

DECISION MAKING HISTORY:

Moved by Councillor Browaty,

That Rule 10(3) of The Procedure By-law No. 50/2007 be suspended in order that the following item, which was received less than four business days preceding the committee meeting, be considered by Committee.

Carried

Moved by Councillor Eadie,

That the recommendation of the Standing Policy Committee on Water, Waste and Environment be concurred in and forwarded to Council.

Carried

STANDING COMMITTEE RECOMMENDATION:

On September 11, 2026, the Standing Policy Committee on Water, Waste and Environment passed the following motion:

WHEREAS the City of Winnipeg Water, Waste and Environment division supported Save Our Seine's application to the Federation of Canadian Municipalities' Green Municipal Fund for the SOS Green Infrastructure Study;

AND WHEREAS the study grew out of the City's Combined Sewer Overflow Master Plan and an interest in finding practical ways to reduce stormwater entering Winnipeg's combined sewer system;

AND WHEREAS Save our Seine has extensive knowledge of areas near the Seine River in the Mission Sewer District, which is budgeted for \$130M in CSO Master Plan work, of which 10% is to be Green Infrastructure projects;

AND WHEREAS Save Our Seine retained HTFC Planning & Design and worked with prospective private-property owners, while Water, Waste and Environment division provided in-kind support by reviewing findings and providing technical consultation;

AND WHEREAS the study was successful and identified practical opportunities for rain gardens, bioswales, depaving, permeable surfaces and other green infrastructure;

Minutes – Executive Policy Committee – September 15, 2026

Report – Standing Policy Committee on Water, Waste and Environment – September 11, 2026

DECISION MAKING HISTORY:

STANDING COMMITTEE RECOMMENDATION (continued):

AND WHEREAS Save our Seine would like to implement selected projects identified through the study and to that end is preparing an application to the Green Municipal Fund's Local Leadership for Climate Adaptation, Adaptation in Action funding stream for an Implementation Project;

THEREFORE BE IT RESOVLED:

1. That Council acknowledge that Save Our Seine is applying for a funding opportunity from the Federation of Canadian Municipalities' Local Leadership for Climate Adaptation initiative for its proposed Adaptation in Action Implementation Project, in partnership with the City of Winnipeg
2. That Council provide a letter of support to Save our Seine, to be used in its grant application to the Federation of Canadian Municipalities' Green Municipal Fund.
3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

and submitted the matter to the Executive Policy Committee and Council.
