REASON FOR THE REPORT:

Under the terms of the Heritage Conservation Tax Credit By-law No. 7155/98 (as amended), Council must approve the transfer of the tax credit to the new consolidated corporation.

HISTORY:

On May 19, 2004 under the terms of the Heritage Conservation Tax Credit By-law No. 7155/98 (as amended), Council approved a tax incentive of up to $405,300 to the Marlborough Hotel Corporation. On August 31, 2004 the Marlborough Hotel Corporation and 3601901 Manitoba Inc. amalgamated to form the Marlborough Hotel Corporation

On November 16, 2004, the owner provided the City a copy of the Articles of Amalgamation and advised that they have agreed to sign a legal agreement to assume all the obligations of the original applicants.

DISCUSSION:

The owners of the Ramada Marlborough Hotel, 331 Smith Street, have amalgamated with 3601901 Manitoba Inc., the owners of the former Garrick Theatre located at 330 Garry Street and have registered the new corporation as the Marlborough Hotel Corporation. They are also revising their agreement to meet all the obligations of the Heritage Conservation Tax Credit By-

law No. 7155/98 (as amended) and are requesting Executive Policy Committee's approval for the transfer of the tax credits.

An amalgamated corporation possesses all of the rights of each of its amalgamating corporations, as well as being subject to all of the liabilities of each of its amalgamating corporations.

However, paragraph 25 of the signed Heritage Agreement provides as follows:

> **"This agreement may not be assigned or transferred by the Applicant without the prior consent of the City in accordance with the provisions of The Heritage Conservation Tax Credit By-law. This restriction on assignments or transfers shall apply to assignments or transfers by operation of law, as well as by contract, merger or consolidation. Any attempted assignment or transfer in derogation of this prohibition is void. …"**

Therefore, according to paragraph 25 of the Heritage Agreement, the consent of the City is required to a merger or consolidation, that is, an amalgamation.

The provisions of The Heritage Conservation Tax Credit By-law referred to in paragraph 25 of the Heritage Agreement are sections 13(1) and 13(2), which require the approval of Council and the agreement of the new owner to assume all obligations of the applicant in order to transfer the tax credit to the new owner.

The Heritage Conservation Tax Credit By-law No. 7155/98 (as amended) states:

13(1) Subject to subsection (2), if an applicant wishes to sell or transfer title or the long-term lease in the designated structure, any approved tax credit or portion thereof which has not been released to the applicant is not transferable and will be cancelled.

13(2) If Council so approves and if the new owner or long-term tenant of the designated structure agrees to assume all obligations of the applicant as hereinbefore set out, the approved tax credit or portion thereof may be transferred to the new owner or long-term tenant.

Therefore, to ensure that the previously approved tax credit is validly transferred to the amalgamated corporation, it is necessary to obtain Council approval to the transfer to the amalgamated corporation of the previously-approved tax credit, even though the amalgamated corporation has the same name as one of the amalgamating corporations.

FINANCIAL IMPLICATIONS:

This is a standard request and if approved will provide for the ongoing upkeep and maintenance of the building for the duration of the terms of the tax credit. There are no additional costs to the City beyond what was originally approved.

Financial Impact Statement

Date: January 20, 2005

COMMENTS:

There are no financial implications associated with the recommendations in this report. The heritage tax credits of up to $405,300 were approved by Council on May 19, 2004. This report recommends transferring these credits to a new Marlborough Hotel entity arising from an amalgamation.
