REASON FOR THE REPORT:

Pursuant to Section 3.05(a) of the CentreVenture Asset Agreement, "The City covenants and agrees to provide in writing without delay: (a) revised Schedules "A" through "D" inclusive whenever there is a change to the contents of such Schedules, or any one of them".

Subject to Council declaring the property surplus to the City's requirements, the subject properties can be added to Category "A" of the CentreVenture Asset Agreement.

HISTORY:

Property No. 1
File No. 7595 V.4

This property, along with other lands, were acquired by the City from the Canada Lands Corporation to facilitate development of Waterfront Drive.

Waterfront Drive has now been constructed and the subject property has been identified as surplus.

Particulars of the subject property are as follows:

Location:	North of Bannatyne Avenue, South of James Avenue between Bertha Street and Waterfront Drive as shown on the attached Misc. Plan No. 11438/6.
Legal Description:	SP Lot 9, Plan 33296
Assessment:	$10,500.00
Zoning:	"D" By-law 100/2004
Site Size:	±140 m² (±1,507 sq. ft.)
Property Description:	The subject property is vacant land.

Property No. 2
File No. 2233 H-1

The property on Misc. Plan No. 12310 was acquired by the City in 1951 as part of a larger holding to accommodate the construction of a Pumping Station, located north of the subject property.

The Water and Waste Department has advised that the subject property is not required for the Pumping Station, and it is considered surplus to their needs.

Particulars of the subject property are as follows:

Location:	West side of Ship Street between Bannatyne and McDermot Avenues as shown on the attached Misc. Plan No. 12310.
Legal Description:	Firstly: SP Lots 31 and 41, Plan 32971
Assessment:	Not apportioned, yet to be determined.
Zoning:	"D" By-law 100/2004
Site Size:	±42.3 m² (±455 sq. ft.)
Property Description:	The subject property is vacant land.

DISCUSSION:

The subject properties were circulated in the usual manner and no civic need was identified nor are any easements required.

Should Council concur with the Department recommendation and declare said lands as surplus, the subject properties will be added to the CentreVenture Asset Agreement under Category "A" pursuant to Article 1.01(a) wherein it defines Category "A" Lands as follows:

> "…means the properties described as such on Schedule "A" hereto and are properties owned by the City which have been **declared surplus and include such properties as may be so designated in writing in the future by the City**."

CentreVenture would have an Option to Purchase the subject properties for $1.00 each, pursuant to Article 3.02 of the Asset Agreement wherein it defines purchase price (in part) as follows:

> "For each Purchased Property, other than as herein provided, **the purchase price payable by CentreVenture to the City shall be one ($1.00) dollar**….."

A sale of these properties as a result of CentreVenture exercising its Option will:

- cause the properties to be reinstated on the active realty tax roll;
- remove the City's responsibility for on-going maintenance of the subject properties;
- provide an additional opportunity for redevelopment and enhancement and rejuvenation of Winnipeg's downtown.
