Revisions:	Either party may request revisions to the agreement in January of any year within the term of the lease agreement, such revision would require mutual consent.

The City and Seven Oaks School Division executed the Lease Agreement under date of August 18, 1981.

Since August 18, 1981, the Seven Oaks School Division completed the development of a running track and football field and has been utilizing the subject City property for school purposes.

At its meeting held on February 12, 1992, Council approved the renewal of the subject lease agreement for an additional ten years commencing August 18, 1991 and ending on August 17, 2001.

By letter dated January 4, 2005, the Seven Oaks School Division notified the Planning, Property and Development Department that it wished to continue utilizing the subject City property until November 11, 2011.

The Planning, Property and Development Department circulated the subject request to the Public Works and Community Services Departments and the Planning and Land Use Division for review and comments.

DISCUSSION:

1. Background:

The Maples Collegiate is located adjacent to Adsum Park as shown on the attached Misc. Plan. 88 a/81. In 1981, the Seven Oaks School Division entered into a lease agreement with the City for the use of a portion of the park to develop a running track and football field. Since then, the School Division has utilized the City property for high school programming purposes.

In accordance with the School Division request, the Department reviewed the matter and identified various issues as follows:

a) Lease Agreement Status:

The City and Seven Oaks School Division executed the original lease agreement dated August 18, 1981. Subsequently, the parties executed a renewal agreement dated July 17, 1992 for the term commencing August 18, 1991 through August 17, 2001.

Since August 18, 2001, the Seven Oaks School Division has occupied the subject site on an overholding basis.

By letter dated January 4, 2005, the Seven Oaks School Division requested that the Agreement be extended by 10 years. It is the standard practise of the Department to obtain approval of new lease terms and conditions with a commencement date immediately following the expiry of the previous agreement to cover any potential liability issues.

b) Insurance:

The City's Risk and Insurance Branch reviewed this matter and provided advice as follows:

> "Please note that insurance from MAST - Manitoba Association of School Trustees - is on file covering off these leases. The insurance is currently in good standing, not expiring until July 01, 2005.
>
> To further safeguard the City, the Lessee shall purchase and keep in force during the full term hereof, a comprehensive general liability policy including, but not limited to the following provisions
>
> (1) Commercial general liability insurance, in the amount of at least five million dollars ($5,000,000.00) all inclusive, with The City of Winnipeg being added as an additional

insured, with a cross-liability clause, such liability policy to also contain contractual liability, to remain in place at all times during the full term hereof;

(2) Lessee shall not cancel, materially change, or cause any such policy or policies to lapse without minimum fifteen (15) days prior written notice to the City of Winnipeg;

AND deductibles shall be borne by the Lessee;

AND the Lessee shall file with the City a Certificate of Insurance in a form satisfactory to the City Solicitor;

AND the City shall have the right to alter the limits and/or coverages as reasonably required from time to time during the continuance of this agreement."

2. Proposed Terms and Conditions for a New Lease Agreement:

The particulars for a new lease agreement are as follows:

Owner:	City
Tenant:	Seven Oaks School Division
Location:	South west of Jefferson Avenue and Adsum Drive
Description:	Portion of Adsum Park shown on Misc. Plan 88 a/81
Purpose:	Running track and football field
Commencement:	August 18, 2001
Term:	10 years ending August 17, 2011
Rent:	$1.00 annum plus GST
Insurance:	To indemnify the City and provide CGL of $5.0 million, City added as additional insured with cross liability and also contain contractual liability
Tenant Responsibility:	To be responsible for all costs incurred in the development and future maintenance of the running track and football field. To construct at its sole cost, fence and buffer with trees along total length of residential property abutting the running track and football field and for any damage to the City's demised lands.
Cancellation:	If not used for school purposes.
Revisions:	Either party may request revisions to the agreement in January of any year within the term of the lease agreement, which revision would require mutual consent.

Being as the School Division still requires the use of the subject City-owned property and that same is not required for parks and recreation use, the Administration is recommending approval of the subject terms of lease.
