Item No. 3 **Assessment Treatment of Community Groups in City Facilities**
File FL-2.5

COUNCIL DECISION:

Council concurred in the recommendation of the Executive Policy Committee and adopted the following:

1. That the Administration prepare a by-law by which the City-owned properties and their occupiers, as outlined in the report from the Chief Financial Officer dated April 13, 2005, would be granted exemptions from municipal and school taxes pursuant to amendments to The Municipal Assessment Act.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Report – Executive Policy Committee – April 20, 2005

DECISION MAKING HISTORY:

Moved by His Worship Mayor Katz,
That the recommendation of the Executive Policy Committee be adopted by consent.

Carried

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On April 20, 2005, the Executive Policy Committee concurred in the administrative recommendation and submitted the matter to Council.

RE: ASSESSMENT TREATMENT OF COMMUNITY GROUPS IN CITY FACILITIES

FOR SUBMISSION TO: Executive Policy Committee

ORIGINAL REPORT SIGNED BY: Chief Financial Officer

REPORT DATE: April 13, 2005

RECOMMENDATION:

That the administration prepare a by-law by which the attached City-owned properties and their occupiers would be granted exemptions from municipal and school taxes pursuant to amendments to The Municipal Assessment Act (the "MAA").

Report Summary

KEY ISSUES:

- The Province of Manitoba has amended the MAA to provide that City-owned properties occupied by non-profit community groups operating community centres are exempt from municipal and school taxes if they are identified in a by-law.

- The enactment of such a by-law would resolve the City's ongoing concerns respecting the tax status of community groups occupying City-owned facilities.

IMPLICATIONS OF THE RECOMMENDATION(S):

General Implications

	None
	For the organization overall and/or for other departments
X	For the community and/or organizations external to the City of Winnipeg
	Involves a multi-year contract

Comment(s): Without the passing of the recommended by-law, non-profit organizations that occupy City-owned properties and operate the property as a community centre would become taxable for municipal and school purposes.

Policy Implications

X	None
	Yes

Comment(s):

Environmental Implications

X	None
	Yes

Comment(s):

Human Resources Implications

X	None
	Yes

Comment(s):

Financial Implications

X	Within approved current and/or capital budget
	Current and/or capital budget adjustment required

Comment(s): There will be no financial impact to the City arising from the amendment to the MAA as the City Assessor had not yet placed the properties in question on the assessment roll.

REASON FOR THE REPORT:

In order to give effect to the amendment to The Municipal Assessment Act (the "MAA"), Council must pass a by-law.

HISTORY:

Properties owned and occupied by the City are exempt from municipal and school taxes pursuant to the MAA. However, in the past, the MAA eliminated that exemption where the City-owned properties were occupied by a third party. Although some occupiers of City-owned property were entitled to their own exemption under the MAA, that exemption was limited to school taxes for a maximum of two acres.

In 2000, the City requested that the Province of Manitoba amend the MAA to provide for exemptions for City-owned properties that were occupied by non-profit groups operating community centres. Several options were put forward and discussed.

DISCUSSION:

The MAA has recently been amended to eliminate the restriction on the exemption for City-owned properties occupied by non-profit groups operating community centres. However, the amendment is only effective where the groups and properties are identified in a by-law.

The amendment to the MAA is effective January 1, 2005.

Most of the existing community groups occupying City-owned properties have not historically been placed on the assessment roll. Accordingly, they are not paying taxes. However, the City Assessor has expressed his intention of adhering to the legislative direction in the MAA and placing these properties on the roll for the 2006 general assessment.

The Administration recommends that, in order to give effect to the recent amendments to the MAA, Council pass a by-law identifying the groups and properties which should benefit from the same tax treatment as the City. The Administration has prepared a list of groups and properties for the consideration of Council for such a by-law, which is attached.

It is also recommended that the by-law contain a provision requiring the Administration to review the list in the by-law annually and that only additions to the list be sent to Council.

FINANCIAL IMPACT:

There will be no financial impact to the City arising from the amendment to the MAA as the City Assessor had not yet placed the properties in question on the assessment roll.

Financial Impact Statement Date: March 22, 2005

COMMENTS: There is no financial impact to the City arising from the amendment to the MAA as the City Assessor had not yet placed the community centre related properties on the assessment roll.
