Figure 1: Subject Site (Aerial Photography Flown 2002)

Background

The Sargent Park Pool and Recplex has been in existence on this site since 1908. Unfortunately, a blanket re-zoning of the area encompassed the site designating it 'R2A' Residential. The purpose of this application is to bring the zoning of the property back inline with the use.

Description of the Proposed Development

The City of Winnipeg intends to undertake a major renovation of the facilities and site in the near future.

Analysis

The Planning and Land Use Division has no objections to the proposed rezoning.
