HISTORY:

In late 2004, MB Public Library Services approached the Library Services Division about participating in the 2005 TD Summer Reading Club with other public libraries across the province.

DISCUSSION:

The 2005 TD Summer Reading Club is a joint initiative with Library and Archives Canada and the TD Bank Financial Group. Library and Archive Canada provides a coordinating, consultative, and evaluating role.

Under the program TD Bank Financial Group commits to:

- Offer free high quality and practical material to allow libraries to adapt the initiative to their own communities.
- Use an exciting theme to attract children to their local libraries.
- Promote the fun of reading and incorporate readings as an important part of family vacation.
- Bridge the schooling gap and strengthen the knowledge gained.

The 2005 TD Summer Reading Club aims to help children up to 12 years of age to develop a taste for reading, while encouraging them to retain their schooling and to pick up good reading habits. The Summer Reading Club endeavors to attract more children and adolescents into public libraries. Participants will receive a poster, stickers, and an activity booklet filled with word games, riddles, and a reading log related to this year's theme of outer space.

Libraries that wish to join the 2005 TD Summer Reading Club commit to promoting the TD Summer Reading Club, keep track of the promotional efforts, register participants and record their reading progress. Libraries are also encouraged to organize such activities as riddles, reading and drawing contests, mural creations, author and illustrator events (Appendix A).

The TD Summer Reading Club program has been adopted by hundreds of public libraries across Canada with excellent results.

The Library Services Division wishes to join the 2005 TD Summer Reading Club. The Library has conducted a Summer Reading Program for many years. In 2004, over 4,000 children participated in Winnipeg Public Library's Summer Reading Program. It is estimated that the Library expends approximately $5,000 annually for materials and advertising related to this program.

The Library Services Division will receive free publicity and summer reading materials as part of the 2005 TD Summer Reading Club, and will be able to redirect approximately $5,000 to other children's programs by participating.
