REASON FOR THE REPORT:

Council must approve all Entertainment Funding By-law exemptions and may consider providing exemptions for amusements that would otherwise be denied an exemption.

HISTORY:

The Entertainment Funding By-law No. 7710/2000 was adopted in September 2000, wherein the former Amusement Tax By-law was replaced. A report to the Standing Committee on Fiscal Issues is prepared for each scheduled meeting if an application for exemption is received. The report was first submitted for the meeting of January 16, 2001 and for each meeting thereafter as required.

DISCUSSION:

An amusement or place of amusement may be listed in Schedule "A" where an organization has submitted an application for exemption. Listings are intended to assist locally based charitable and not-for-profit cultural or athletic organizations in producing entertainment and sporting events with admission prices at a level which will encourage a broad audience. Listings are not intended to apply where an amusement is held for fund raising events in which the performers or promoters profit or where the exemption would result in for-profit gains.

The Administration has conducted a thorough review of the applications received for exemption from the Entertainment Funding By-law in accordance with the criteria set in Schedules "A" and "B" of By-law No. 7710/2000.

Recommended for Exemption

The following amusements and/or places of amusement are being recommended for exemption listing in Schedule "A":

1. ***The Event "Manitoba World Invitational Lion Dance Festival" to be held by Dragon & Lion Dance International of Canada Inc. on August 27, 2005 at the University of Winnipeg Duckworth Centre***

2. ***Winnipeg Labour Choir Incorporated***

Not Recommended for Exemption

The following amusements and/or places of amusement are not recommended for exemption listing in Schedule "A": (Appendix "I" of this Report provides a table further illustrating the eligibility criteria that were not met.)

3. ***Canadian Volleyball Association (Team Canada Volleyball Centre)***

Team Canada Volleyball Association (Team Canada Volleyball Centre) submitted an application for their international competitions and a fundraising event called Superspike. It is recommended that this application be denied as they do not meet the local content requirement for their international competitions. It is also recommended that the fundraising event titled "Superspike" be denied as the performers will receive payment that exceeds the amount allotted for remuneration under the By-law.

Recommended to be removed from listing in Schedule "A":

The following amusements and/or places of amusement that are currently listed in Schedule "A", are being recommended for removal from listing in Schedule "A": (Appendix "I" of this Report provides a table further illustrating the eligibility criteria that were not met.)

4. Rossdale Ukrainian Dance School

Pursuant to Section 17 of the By-law, a listing in Schedule "A" may be revoked as follows:

> ***Listings may be revoked***
>
> *Listings in Schedule "A" may be repealed:*
>
> *(a) Where an owner fails to comply with the provision of this by-law, or a request made by the Director of Corporate Finance;*
>
> *(b) Where Council is of the opinion that the listing fails to meet the intent of this by-law; or*
>
> *(c) For any other reason at the discretion of City Council.*

Upon a review of the organization's file, *"Rossdale Ukrainian Dance School"* was requested to reapply for their exemption listing as approved by Council on January 31, 2001.

Rossdale Ukrainian Dance School is located in St. Andrews, Manitoba and, upon review of their new application, it was determined that the 60% local content requirement was not met and therefore not eligible for general exemption listing. It is therefore recommended that this organization be removed from listing in Schedule "A" of the Entertainment Funding By-Law.

FINANCIAL IMPACT STATEMENT - Date: April 22, 2005

The financial impact of approving applications for exemption from the entertainment funding tax is unknown for the listed events. The tax revenue that could be generated from these events cannot be quantified because the events have not yet occurred.
