Site Description

Site Area

The subject site is approximately 1.58 acres, (69,000 square feet). A mostly rectangular parcel with 120 foot frontage on the north side of Taylor Avenue and 617 foot flankage along the west side of the Grant Park High School and City of Winnipeg athletic fields.

The site is on a 50-year lease with the City of Winnipeg and sits within the Pan Am Pool site proper.

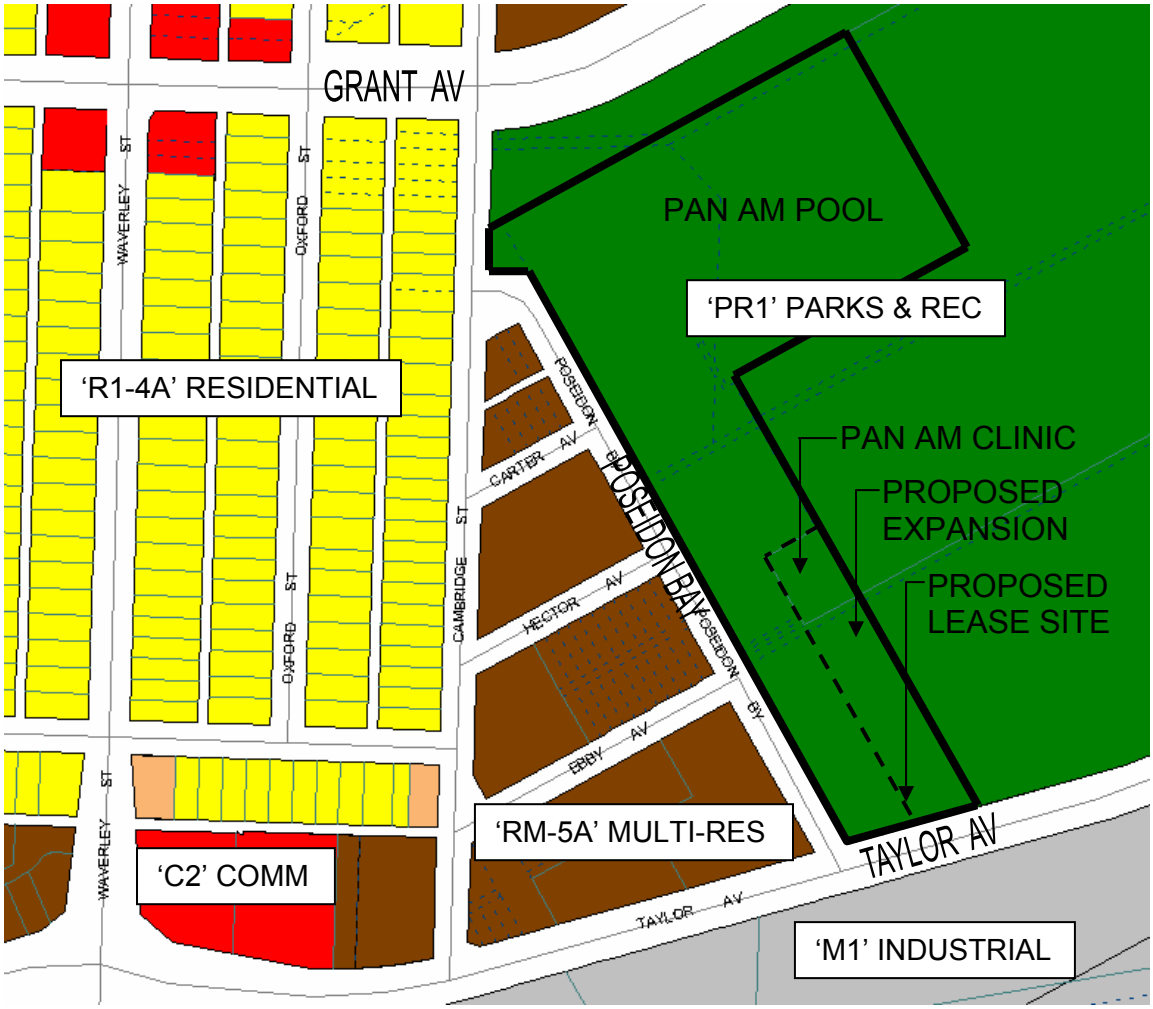

Figure 1: Subject Site - Existing Contextual Zoning

Existing Land Use and Zoning

The subject site is currently zoned 'PR1' Parks and Recreation and is occupied by the Pan Am Sports Medicine building.

Surrounding Land Use and Zoning

North: 'PR1' Parks and Recreation (Pan Am Pool) then Grant Avenue
South: Taylor Avenue then 'M1' Industrial
East: 'PR1' Parks and Recreation (Grant Park athletic fields)
West: Poseidon Bay then 'RM-5A' Multi-family Residential

Description of the Proposed Development

The existing Pan Am Sport Medicine Clinic is expanding to include a new MRI facility, administration offices and Diamond Athletic Medical Supplies. As stated in Dr. Wayne Hildahl's letter of intent, (January 20, 2004) the new development is part of their *'...strategic plan to provide their patients with all their needs in one centre'.*

Analysis

The subject property is designated 'Neighbourhood' in Plan Winnipeg 2020, compatible mixed-use development is to be encouraged and accommodated. As well, the development is consistent with several policies such as 3A-01 Promote Orderly Development ii) providing a residential mix in Neighbourhood designated areas and 3B-01 Promote Vibrant Neighbourhoods.

The context is characterized by a mix of uses; such as recreation, single family, multi-family, condominium, commercial and educational. The existing Pan Am Sports Medicine Clinic has operated successfully on the property since the late 70's without, to the best of our knowledge, complaint.

In terms of transportation and site access the facility has an adequate surface parking lot and is adjacent to several bus routes.

Recommendation

The Planning and Land Use Division recommends approval for the following reasons:

- it is consistent with Plan Winnipeg
- it is compatible with the area context
- provides a much needed health care facility and support services to the public

Recommended Conditions of Approval

I. That The Winnipeg Zoning By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 214/05, attached hereto and dated, March 15, 2005, to a "C2" Commercial District.

II. That a ten (10) per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

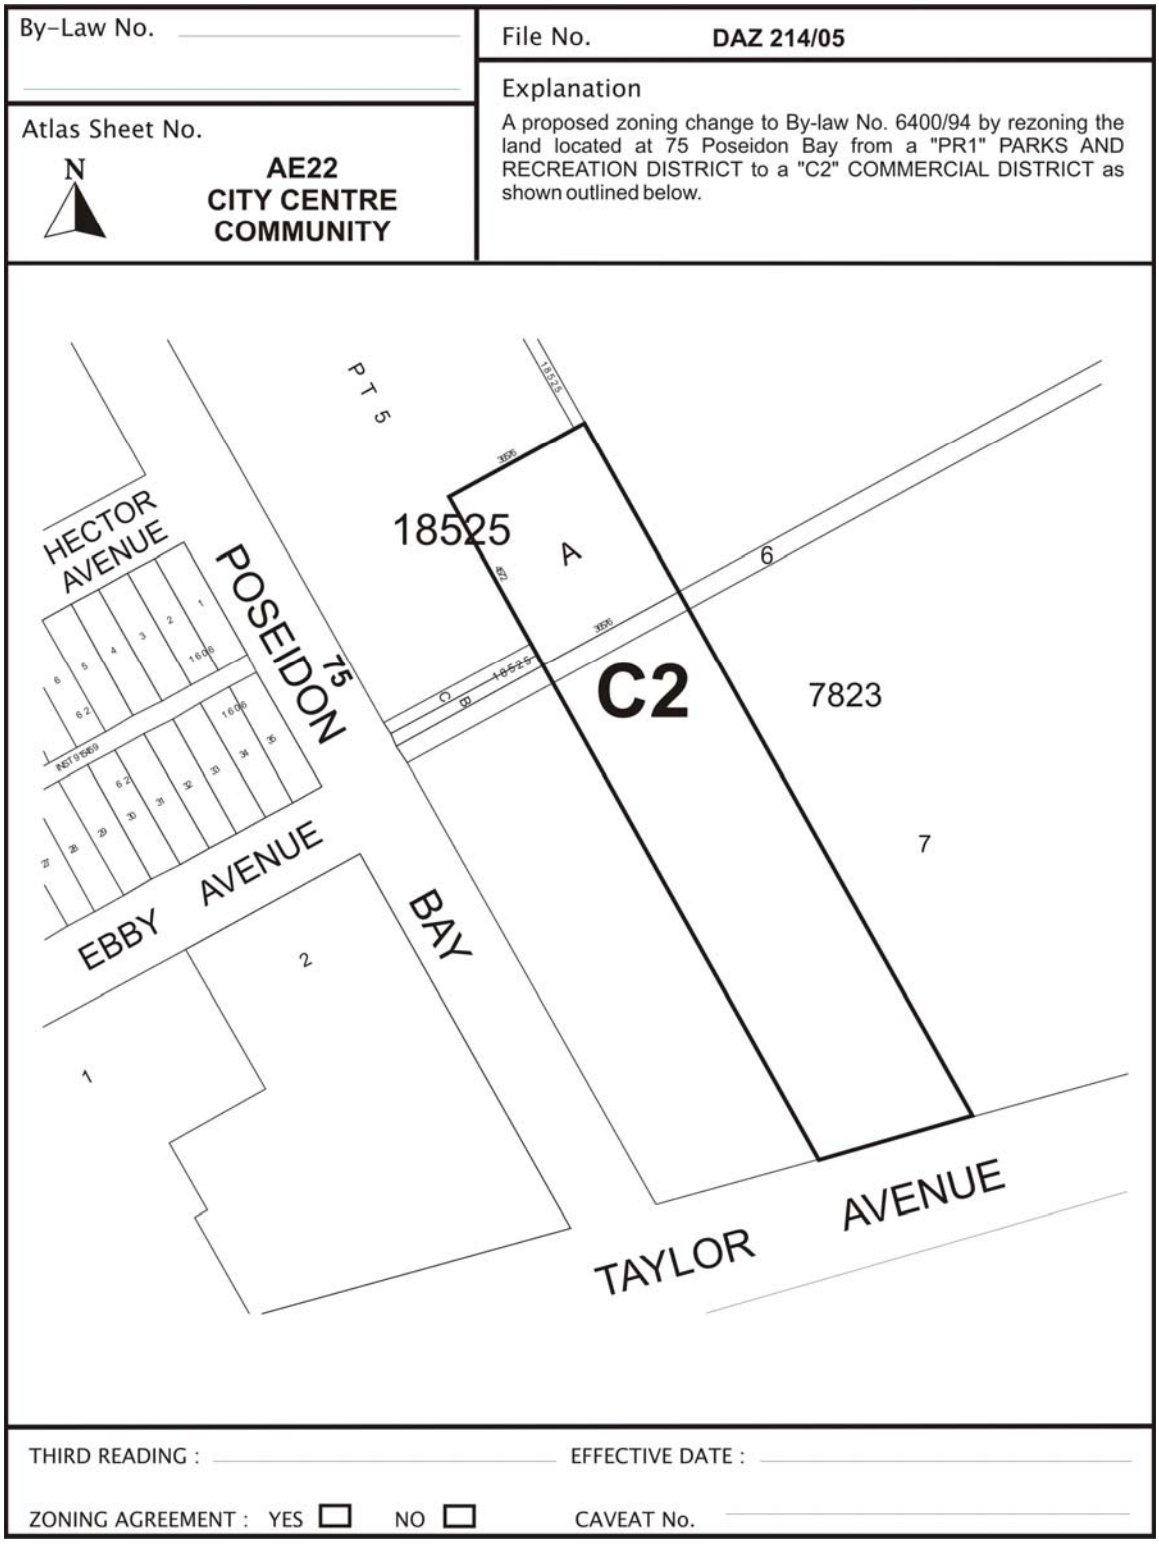

IV. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.
