REPORT

REASON FOR THE REPORT:

The award of a multi-year contract must be authorized by Council in accordance with Section B8.2.3 of the City of Winnipeg Materials Management Policy, which states that the appropriate Standing Committee shall forward a recommendation to Council including where appropriate, a recommendation for funding the difference between the budgetary provision and the monetary consideration to be paid by the City pursuant to the proposed contract.

HISTORY:

Funds for the Transporting of Sewage Sludge are included in the Current Budget – Sewage Disposal System – Interception and Treatment Regional, Account No.'s 444-526080-201109 and 444-526080-201110.

DISCUSSION:

The work of this contract consists of the transporting of approximately 476,000 kilolitres of sewage sludge from the South End Water Pollution Control Centre and approximately 174,000 kilolitres of sewage sludge from the West End Water Pollution Control Centre to the North End Water Pollution Control Centre for further treatment and processing for the period of July 16, 2005 to July 15, 2008.

The Bid Opportunity closed on April 5, 2005, with bids being received as follows:

Main Line Industries Ltd.	$1,933,800.00
Mulder Construction & Materials Ltd.	$2,102,200.00
D & D Excavating & Hauling Ltd	$2,109,000.00

Engineering staff of this Department have met with the low Bidder to review their qualifications, equipment and manpower, and are satisfied that they have the necessary resources to perform all of the work in accordance with the requirements of the specifications. The low Bidder has satisfactorily carried out previous works of a similar nature.

The proposed Contractor has a (COR) Certificate of Recognition (MH040325MS) provided by the Manitoba Heavy Construction Association's Safety, Health and Environment Program.

The Manager of Materials Management Branch has advised that each of the bid submissions was accompanied by a bid bond and an agreement to bond, which have been certified by the Legal Services Division.

The bid recommended for acceptance is the low bid meeting all requirements of the specifications. This offer is open for acceptance until June 5, 2005.
